ACKNOWLEDGEMENT

I am deeply grateful to all those who have contributed to the successful completion of this mini project.

First and foremost, I would like to express my sincere gratitude to [Your Guide's Name], [Designation], for their valuable guidance, encouragement, and continuous support throughout the development of this project. Their expert advice and motivation helped me to overcome many challenges and improve the quality of my work.

I am also thankful to [Program Coordinator's Name], Program Coordinator, and [Subject In-Charge's Name], Subject In-Charge, Department of [Your Department Name], for providing me with the necessary facilities and an inspiring environment to complete this project successfully.

I extend my heartfelt thanks to all the faculty members of the Department of [Your Department Name], for their cooperation and helpful suggestions during the course of my project work.

Finally, I would like to express my deep appreciation to my family and friends for their constant support, patience, and encouragement, which have been a great source of strength throughout this journey.
